

Hi All

Biogen Series MTB Race - 1st Place

The third leg of the Biogen Series was held once again at Babba's Lodge in Bultfontein, Pretoria on the 7th November and a good few hundred riders lined the start on an absolute scorcher of a day!

The 65k course through the reserve - sandy and rocky in places - was generally fast & fairly flat, but this meant you had to really work the legs the entire route, almost time-trialling yourself from start to finish.

Having had a lot of fun on the bike this particular morning, I managed to cross the finish line first, beating my Epic partner Julia into second, and Suzie Assenmacher (Tread Magazine) into third place.

1. Carla Rowley (RBS Biogen) 2:26:51
2. Julia Skea 2:37:22
3. Suzie Assenmacher (Tread) 2:42:10
